Re: *Rojas v. Kaleo Construction Corp. et al,*

Dear Your Honor:

This office represents Plaintiff in the above captioned matter. I apologize but Plaintiff requests an extension until August 15, 2023 to provide the Court with the revised agreement. This is the second request for an extension. Defendants graciously consent. The reason for the request falls on me. I thought I had eliminated all references to "Labor Law" but upon a word search I realized I did not eliminate all references. I have a schedule send e-mail to be sent to opposing counsel at 8 am tomorrow morning with a redlined agreement. I do not anticipate any issues. I am asking for two weeks to ensure that I do not have to ask for a third extension. The agreement needs to be translated for my client and signed by two parties. Allowing an additional two weeks should be more than sufficient for these events to transpire.

I apologize for this error and appreciate the Court's understanding and patience.

Respectfully submitted,

By: */s Jacob Aronauer*
